

## Hominid Missing Poster

A "missing" poster lets people know about something or someone who needs to be found for some reason. We're looking for the hominids who have died out. Choose one of our 5 hominids to make a "missing" poster for. Your poster should be COLORED, NEAT, and BEAUTIFUL. Use your Hominids Chart and Hominid Rap to include the following information:

Full name in Latin (example: Homo Habilis)

A picture of your chosen hominid

Physical description (physical features)

Time period when they lived (example: 3-4 million BC/BCE)

Description of how they lived

Capabilities/Accomplishments

Last Seen: the areas where evidence of your hominid has been found
